POLICY WORDING

HELPFUL INFORMATION

Look after Yourself and Your vehicle

You are expected to take care not to place Yourself or Your vehicle in any situation which may cause a loss.

Hire cars

The provision and class of hire cars is always subject to their availability. Most hire car companies will not hire vehicles to drivers under the age of 21. You will be asked to produce Your driving licence (photocopies not accepted) and a credit or debit card at the time You collect the hire vehicle. You will remain responsible for paying all tolls, congestion charges, parking and speeding fines You incur while You are in charge of a hire car, and also when You park it at the end of the hire period. You will also be responsible for any damage to the hire car and any excess imposed by the hire car provider.

Motorway recoveries

The recovery of vehicles from motorways and motorway service areas is strictly controlled by the Police. When calling for assistance from the hard shoulder always use the roadside emergency telephones as these aid the operator to pinpoint Your exact position. Advise the Police that You have

breakdown cover provided by Aria Assistance. They will call out a breakdown vehicle to recover You to a garage from where You can call Aria Assistance using a public telephone or Your mobile. It is unlikely that roadside repairs will be attempted for safety reasons. You should only use a mobile phone to contact us from a motorway if you are unable to get to the Emergency phone or if you feel that you will be exposing yourself to unacceptable risk in travelling to the Emergency phone.

Cost of repairs

While Your policy may include an element towards emergency labour charges, the cost of replacement parts and labour in carrying out major repair or replacement are not covered by any motoring breakdown policies including Ours. Please read Your policy carefully so that You know what is and is not covered.

Standard of workmanship

Aria Assistance will monitor the progress of Your assistance but is not responsible for the repair work provided by a garage, dealer or tradesman.

PLEASE MAKE SURE YOU READ THIS POLICY CAREFULLY

LEGAL ADVICE HELPLINE

We will provide legal advice and guidance by telephone to the Policyholder on any matter concerning the Insured Vehicle within the Geographical Limits during the Period of Insurance:

IMPORTANT VEHICLE HEALTH CHECK

The insurance operates on the basis that You will have had Your vehicle properly serviced and maintained in accordance with the manufacturer's specifications, especially when preparing it for a journey.

Will a routine service fall due before the end of Your intended journey? Or,

Are there any parts on Your vehicle that You are aware may need replacing before the end of Your journey?

If so, You should have Your vehicle serviced at least 10 days before Your journey to allow sufficient time to carry out any repairs necessary.

Keep proof of regular servicing in Your vehicle, with Your handbook or travel documents.

If You call Us for assistance, and Our mechanic reports to Us that it is evident You have not maintained Your vehicle in a state fit to complete Your intended journey, You will have to pay all the costs arising from Our intervention.
